Re: ACTION Purchasing Cooperative RFP Award

Alameda County Team In Ordering Nutrition (ACTION) Purchasing Cooperative would like to recognize Sysco, Danielsens, and Goldstar as the winners of the RFP for grocery products for the school year July 1, 2019 – June 30, 2020.

These vendors were selected based on product lowest pricing, ability to provide “first choice” brand items where designated, and amount of items needing extended lead times. Inclusion of all necessary documents and letters of recommendation were also taken into account.

Thank you to all bidders and for your support of the ACTION Purchasing Cooperative. We look forward to a great working relationship in the coming year.

Sincerely,

Frank Castro
Director, Child Nutrition Services
Dublin Unified School District
ACTION Lead District
